Spark Machines - DJ Power V1 (2 x 700W)
Two Cold Spark Machines are part of the show. This device is safe to use, has no pyrotechnics and cannot burn anything.

Flame Jets (optional)
It is possible to additionally upgrade the show by booking pyrotechnics equipment, such as flame jets. The installation and operation of this equipment is done by a certified technician. Shows with pyrotechnical equipment can only be done, if the shows have been registered at the local authorities and all related regulations are respected.

2 General

- There must be a merch booth with power connection.
- Heated, illuminated, and dry backstage area with power connection.
- 7 x AAA passes for band members and crew.

3 Food & Drink

- Warm meal (no fast food) for each band members & crew (one vegetarian).
- All kinds of alcoholic and non-alcoholic drinks are fine.
- Min five bottles of still water during the show.
